

## **2021 Award for Excellence** in environmental, health, safety and security

### **Husky Energy Lima Refinery** Lima, Ohio

Husky Lima Refinery needed to improve their environmental stewardship performance. The facility set new expectations and implemented new tools to measure and document environmental compliance. They enacted a new environmental policy recommitting to safe and environmentally responsible operations, rebuilt their software program, trained employees, communicated expectations and renewed employee ownership of environmental performance.

*The Ohio Chemistry Technology Council recently announced the recipients of their Annual Awards for Excellence which recognizes Ohio chemical companies who have demonstrated exceptional performance in environmental, health, safety and security over the previous year. Awards were presented to 17 facilities from around Ohio, all of which had significant contributions and achievements in 2020.*
