

2021 Award for Excellence in environmental, health, safety and security

Univar

Cleveland, Ohio

In 2020, Univar Solutions achieved its safest year ever in the U.S. and Globally with total case incident rates (TCIR) of 0.57 and 0.36, respectively. Success is attributed to a best in class safety management system that is strictly adhered to across more than 100 U.S. facilities, including the company's Cleveland facility which achieved 2869 days without a recordable injury.

The Ohio Chemistry Technology Council recently announced the recipients of their Annual Awards for Excellence which recognizes Ohio chemical companies who have demonstrated exceptional performance in environmental, health, safety and security over the previous year. Awards were presented to 17 facilities from around Ohio, all of which had significant contributions and achievements in 2020.
