

2022 Award for Excellence
in environmental, health, safety and security

Ashland Columbus
Atlas Street Facility
Columbus, Ohio

Ashland Columbus Atlas Street Plant decided to upgrade its security measures. Several actions were taken including the installation of an additional 4,700 linear foot of fence around the property, use of electronic master lock vault, additional CCTV cameras, monitoring software upgrade, cyber security procedure update and security training to all employees.

The Ohio Chemistry Technology Council recently announced the recipients of their Annual Awards for Excellence which recognizes Ohio chemical companies who have demonstrated exceptional performance in environmental, health, safety and security over the previous year. Awards were presented to 24 facilities from around Ohio, all of which had significant contributions and achievements in 2021.
